Spec. Ed. meeting set

A meeting is being planned for parents of all students who receive special education services in the county schools and for citizens who are interested in special education.

Personnel from the Appomattox County Schools will meet with this group on May 22 at 7:30 p.m. in the Appomattox Elementary School Library. The purpose of the meeting is twofold in that parents will be able to get information about their children's instruction and they will serve as a source of information to the community.

More than 260 students in the county have been identified as needing special services. As required by Public Law 94-142, the school division provides for identified individuals between the ages of 2 and 21. The students who are being served in classes for the Learning Disabled, Speech Handicapped, Visually Impaired, Hearing Impaired, Trainable Mentally Retarded, Physically Handicapped, Educable Mentally Retarded, Seriously Emotionally, and Preschool Developmentally Delayed.

The school division has a child find plan to assist in the location of all persons who are in need of special services. Cooperative efforts between the school, home, Health Department, Social Services Department and other agencies are important to the identification of persons who are evaluated to determine need.

Additional information about the meeting and special services available may be secured by calling the Appomattox County School Board Office. The telephone number is 352-8252.
